The Friendship Line
24-hour toll-free hotline/warmline for older adults and adults living with a disability
The Friendship Line at Institute on Aging is the nation’s only accredited 24-hour toll-free hotline for older adults and adults living with a disability. The Friendship Line is both a crisis intervention hotline and a warmline (non-urgent calls); our services provide older adults and adults living with a disability reassurance, crisis intervention, information and referrals.

In addition to receiving incoming calls our volunteers make routine outbound phone calls that provide emotional support, and well-being check-ins.

For many depressed and lonely seniors, we offer a lifeline of hope. In every call, the goal is to help the individual feel safe and valued.

The Friendship Line is accredited by the American Association of Suicidology.
